

Session 10

Activity 1 – Transferable Skills

There are several skills that translate from home to school to work. Practice makes perfect. Complete column 3 by indicating how these skills in the home column can positively impact school and eventually the field of work.

Home	School	Work
Obeying your parent's rules		
Arriving home on time for curfew		
Resolving conflicts with siblings & family		
Keeping your room clean & organized		
Obeying your parent's dress code		
Completing your chores & earning your allowance		
Learning to take no for an answer from your parent		
Enjoying reading at home		
Following your chores schedule
