

Session 9

Activity 2 – Parent/Child Survey

Parents how well do you know your child? Students how well do you know your parent? Students take two surveys home. Fill out one survey answering each question for yourself and your parent/guardian. Use your best guess regarding your parents likes and dislikes.

Parents do the same. Complete the survey answering the questions for yourself and your child.

Once you have both completed the survey, compare your answers.

		Parent	Child
1	Favorite color?		
2	Favorite hobby?		
3	Favorite book?		
4	Favorite season?		
5	Favorite food?		
6	Favorite celebrity?		
7	Favorite song?		
8	Greatest strength?		
9	Greatest weakness?		
10	Favorite place?		

Were there any surprises?

How many favorites do you have in common?

Note: Our likes and dislikes often change. Commit to keeping the lines of communication open.
