Virginia Heroes, Incorporated
Culminating Activity

Session 12

Leadership, Career Awareness, Achievement, and Service

Choose an activity from the list provided below. You can do the project in a group or individually. Read the project descriptions and choose at least one project. Be sure your project concentrates on something positive regarding the Virginia Heroes program. Our main themes are leadership, career awareness, achievement and service.

_____Videography ____group or ____individual

Create a video diary of your thoughts regarding the Virginia Heroes program. Put on a skit or schedule an interview of someone you feel is a Virginia Hero. Be creative. This video will go down in history.

_____Time Capsule ____group or ____individual

Decorate a box. Fill the box with 5 to 10 items that best represents your experiences in the Virginia Heroes program.

_____Living Will & Testament ____group or ____individual

Write a will that allows you to leave some very positive things to the Chandler Middle School students that are coming behind you. You can bequeath (leave) your smile, your favorite teacher, your favorite middle school or Virginia Heroes memories.

_____Picture/Collage ____group or ____individual

Create a picture/collage of memories, experiences, favorite things and/or favorite people. There is no limit to what you can create artistically. You can bring in photos or draw pictures yourself.

_____Essay/Short Story/Poem ____group or ____individual

Write an essay, short story or poem that reflects your experience with the program.

_____Other ____group or ____individual
Explain

Use this space (and the back if needed) to describe in detail your plans for your project. If you are working in a group also provide the names of your group members.
